Chief Information Officer

Subject: **APPOINTMENT OF CHIEF DEPUTY DIRECTOR WITHIN THE CHIEF INFORMATION OFFICE (CIO)**

This is to inform you that I have selected Mr. Jonathan E. Williams to formally assume the responsibility of Chief Deputy Director, CIO, effective 5/23/02.

Mr. Williams has been acting in the role of Chief Deputy Director, CIO, since the departure of his predecessor. Mr. Williams has over 24 years experience with the County of Los Angeles, joining my department in 1997. His extensive knowledge and understanding of technology and general business practices, enables him to successfully perform at the executive level. Also, he has a strong and comprehensive knowledge of County administrative policies (including fiscal administration, contracting, technology, etc.). He has built strong networks with both the CIO's internal and external customers. Furthermore, his leadership and strong negotiation skills are exceptional and has been an added advantage in executing countywide agreements.

This office was created by your Board to provide oversight on County technology initiatives, therefore, you or your I/T deputies may have already interfaced with Mr. Williams on a variety of countywide and department related initiatives. If you wish to meet Mr. Williams before 05/23/02, please contact Yolanda Garcia, of my staff, at (213) 974-2008.
